Followed LV Information
Sequence Type
A. Pursuit
B. Virtual Pursuit
C. Solo
D. LV Wait
E. Standstill
F. Skip
G. U-Turn
H. Break
S Suspect Subsections
Other Subsections and any comment
Caution: For mixed paved/unpaved sections, remember creating corresponding special subsections. And dully mention any incident that could affect the counter calibration (requiring a "break" sequence for performing precautionary calibration).
