

## Activity Sheet 2

# Stakeholders in Rural Transport: Institutional and Poverty Issues

### Purpose

The purpose of this activity is to explore the relationships between stakeholders in more depth, focussing in particular on the institutional issues and ways in which the poor and women are affected.

### Group Work

1. Using the Venn diagram you developed in the last activity, discuss the following questions
  - A. What are the institutional factors that affect the relationship between the key stakeholders?*
  - B. How are the poor disproportionately affected by institutional factors?*
  - C. How are women disproportionately affected by institutional factors?*
2. Note your points on a flipchart.
3. Prepare to present your findings to the plenary.
