

## Activity 5

### Applying new Framework

#### Purpose

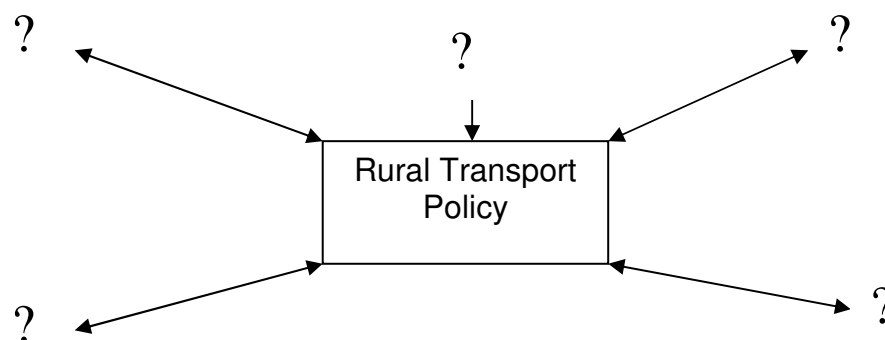

The purpose of this activity is to develop appreciation of the application of the new framework for rural transport in the real-life policy environment.

#### Group Activity

1. Divide into small groups.
2. Read the technical paper 1.2.
3. Create an image a rural transport policy as if the policy is at the centre of a spiders' web.

Prepare this on flip chart.

Include other related national policies that are relevant to rural transport and to which the rural transport policy should be connected.

4. Discuss:

*How may better connections between the policies be made?*

5. Prepare to present your findings to the plenary.
