

# Activity Sheet 18a

## Check List for the “as is” plan

### Stages for the development of a Local Government Transport Master Plan (LGTMP)

#### Purpose

The purpose of this activity is to explore the issues that need to be considered when developing a LGTMP.

There are 3 stages in the development of a LGTMP:

1. Establishment of the “as is” plan
2. Scenario Analysis
3. Selection of Investments

#### Group Work

1. Each group will work on just ONE stage in the development of the Local Government Transport Master Plan (LGTMP).
2. The task for your group is to:

*Design check lists for the type of data that should be collated in order to make an “**as is**” plan.*

3. Prepare your findings on a flipchart.
4. Elect a person from your group to present your findings to the plenary.

## Activity Sheet 18b

### Key factors for a Scenario Analysis

# Stages for the development of a Local Government Transport Master Plan (LGTMP)

## Purpose

The purpose of this activity is to explore the issues that need to be considered when developing a LGTMP.

There are 3 stages in the development of a LGTMP:

1. Establishment of the “as is” plan
2. Scenario Analysis
3. Selection of Investments

## Group Work

1. Each group will work on just ONE stage in the development of the Local Government Transport Master Plan (LGTMP).
2. The task for your groups is to:

*Describe the key factors that must be taken into consideration when carrying out a **Scenario Analysis**, for deciding on rural transport investment.*

3. Prepare your findings on flip chart.
4. Elect a person from your group to present your findings to the plenary.

## Activity Sheet 18c

### Check list for selection of investments

# Stages for the development of a Local Government Transport Master Plan (LGTMP)

## Purpose

The purpose of this activity is to explore the issues that need to be considered when developing a LGTMP.

There are 3 stages in the development of a LGTMP:

1. Establishment of the “as is” plan
2. Scenario Analysis
3. Selection of Investments

## Group Work

1. Each group will work on just ONE stage in the development of the Local Government Transport Master Plan (LGTMP).
2. The task for your group is to:

*Design a check list of criteria that may be used to screen local government roads, in an **investment selection** process.*

3. Prepare your findings on flip chart.
4. Elect a person from your group to present your findings to the plenary.
