

Activity Sheet 54

New institutions for managing rural roads: based on Guatemala case study

Purpose

The purpose of this activity is to draw on the lessons from the Guatemala experience and for participants to consider how these may be applied to other countries.

Group Work

1. Read the case study, and discuss the following questions:
 - A. *What features of the AMAMNO pilot project could be applied to other countries and projects?*
 - B. *What could be done to improve the management and finances of the Guatemala project?*
2. Prepare your findings on flip chart and elect a person to present the findings
