

PUBLIC TRANSPORT GOVERNANCE, INTEGRATION, AND PARATRANSIT CAPACITY BUILDING: LESSONS FROM AFRICA AND LATIN AMERICA

Dear Delegate

First of all, we would like to welcome you to the **Knowledge Exchange Workshop PUBLIC TRANSPORT GOVERNANCE, INTEGRATION, AND PARATRANSIT CAPACITY BUILDING: LESSONS FROM AFRICA AND LATIN AMERICA**, and thank you for your interest and acceptance to participate.

The Knowledge Exchange Workshop is **organised and funded by the European Commission**, with the support of the World Bank, UITP and the European Commission's partner projects: SSATP, MobiliseyourCity and Euroclima.

The aim of the event is to enable delegates to share experiences and learn about ongoing public transport projects.

The Workshop will take place in two days, in two different locations:

OPENING. UITP SUMMIT SESSION. JUNE 6TH, 2023, between 9.30 and 11.30 a.m.

TOPIC: Urban mobility governance and institutions: lessons and experience from Africa and Latin America.

BARCELONA SCHOOL OF CIVIL ENGINEERING. SESSION JUNE 7TH, 2023, between 9.00 and 15.30

TOPIC: Paratransit capacity building and fleet renewal programs in the Latin America and Africa regions

PUBLIC TRANSPORT GOVERNANCE, INTEGRATION, AND PARATRANSIT CAPACITY BUILDING: LESSONS FROM AFRICA AND LATIN AMERICA

UITP GLOBAL PUBLIC TRANSPORT SUMMIT

Gran Via, 9, Carrer del Foc,
L'Hospitalet de Llobregat 08908
Barcelona (Spain)

Knowledge Exchange Workshop Agenda

DG INTPA. European Commission

With collaboration from World Bank, SSATP, MobiliseyourCity, Euroclima and UITP

OPENING. UITP SUMMIT SESSION

JUNE 6TH, 2023

TOPIC: Urban mobility governance and institutions: lessons and experience from Africa and Latin America.

The Session will present and discuss experiences in Africa and Latin America drawn from SSATP, MobiliseYourCity and Euroclima projects.

Potential examples from Africa are Dar-es-Salaam, Dakar, Lagos, Abidjan, Nairobi and/or Maputo will be presented. The session will also present the Latin America experience to urban transport governance and institutions, including institutional and regulatory reforms and government efforts (funding/subsidies schemes) needed to support integration and paratransit reforms and fleet renewal among other questions.

A panel will discuss the progress made, draw lessons, and make recommendations of relevance for Latin America and sub-Saharan Africa.

AGENDA

9:30 - 9:35 h

Welcome to UITP Global Summit: Mohamed Mezghani, *Secretary General, UITP*

9:35 - 9:45 h

Introductory remarks: Carla Montesi, *Director DG INTPA, Green Deal and Digital Agenda European Commission*

9:45 - 10:00 h

Keynote Speech: Nicolas Peltier, *Global Director for Transport, World Bank*

10:00 - 10:15 h

Presenter 1: Urban transport governance in the Latin America region.
Presenter: Alejandro Ceballos, *Urban Mobility Technical Advisor, Euroclima*

10:15 - 10:30 h

Presenter 2: Urban transport governance in the Africa region.
Presenter: Fatima Arroyo-Arroyo, *Sr. Urban Transport Specialist – World Bank and co-Pillar Leader Urban Mobility - SSATP*

10:30 - 11:30 h

Panel

- Ms. Abimbola Akinajo, *Managing Director, Metropolitan Area Transport Authority, Lagos, Nigeria.*
- Thierno Aw, *Managing Director, Conseil Exécutif des Transports Urbains de Dakar (CETUD) Dakar, Senegal.*
- António Matos, *CEO, Agência Metropolitana de Transportes, Maputo, Mozambique.*
- Maina Celidônio, *Secretary of Transport, Rio de Janeiro, Brazil.*
- María Constanza García, *Vice Minister of Infrastructure, Ministry of Transportation, Colombia*

Moderator: Mustapha Benmaamar, *Program Manager, Africa Transport Policy Program, SSATP*

11:15 - 11:30 h

Q&A session

PRACTICAL INFORMATION

UITP GLOBAL PUBLIC TRANSPORT SUMMIT

Gran Via, 9, Carrer del Foc,
L'Hospitalet de Llobregat 08908
Barcelona (Spain)
Gran Via CC.4.1

BARCELONA

UITP Global Summit will take place at Fira | Gran Via, Hall 6
The closest metro station (400m) is "Fira" on line L9.

For the exact location on Google maps type "Hall 6, Fira Gran Via" or "Carrer del Foc, 9"

JOURNEY PLANNER

Line 9 Sud runs from the airport to Fira Gran Via, and into the city of Barcelona. It connects with three other major Metro lines, so nearly every area of city has a simpler way to get to Fira Gran Via. The main station in the venue is called Fira.

Coming from Barcelona Airport?

From Terminal 1: walk about 700m to the Metro station at Terminal 1 station and take Line 9 Sud to Zona Universitària for 9 stops. Exit at Fira station.
 From Terminal 2: enter the Metro station at Terminal 2 station and take Line 9 Sud to Zona Universitària for 8 stops. Exit at Fira station.

Coming from Barcelona-Sants?

Take the Metro line 5 to Cornellà Centre for 3 stops and exit at Collblanc station. Then take the Metro line 9 Sud for 4 stops and exit at Fira station.

BARCELONA SCHOOL OF CIVIL ENGINEERING SESSION JUNE 7TH, 2023

TOPIC: Paratransit capacity building and fleet renewal programs in the Latin America and Africa regions

AGENDA

8:30 - 9:00 h

Registration

9:00 - 9:15 h

Welcome

Esther Real, *Director of the Barcelona School of Civil Engineering*
Sergio Oliete, *Head of Unit - Sustainable Transport and Urban Development.*
European Commission. DG INTPA

9:15 - 9:30 h

Presentation of the Workshop objectives and content

Mustapha Benmaamar, *Program Manager, Africa Transport Policy Program,*
SSATP

9:30 - 11:00 h SESSION 1

Paratransit capacity building and fleet renewal programs in Latin America and Africa

This session will include short presentations of relevant experiences from Latin American and African cities to professionalize informal transport, drawing on important lessons learned in the areas of sustaining reforms over time (e.g. impact of commercial financing, bus operators' corporate governance...), access to financing for bus renewal and working capital, as well as the role of government. The presentations of the case studies will be followed by a panel discussion that delves deeper into the current challenges and opportunities associated with informal and semi-formal transit capacity building programs.

Paratransit and fleet renewal programs in Africa region (experiences of Dakar, Cape Town, Kigali, Kampala, Freetown, Maputo, Nairobi, Accra and Antananarivo),

Presenter 1 : Fatima Arroyo-Arroyo, *World Bank, Sr. Urban Transport Specialist – World Bank and co-Pillar Leader Urban Mobility – SSATP*

Paratransit and fleet renewal programs in the Latin America region.

Presenter 2: Abel López, *Senior Transport Specialist, World Bank*

Panel

- Rokhaya Dieng, *Chef de la Division Etudes générales et techniques, Conseil Exécutif des Transports Urbains de Dakar (CETUD) Dakar, Senegal.*
- John Mark Mwanika, *Chair, ITF Urban Transport Committee, Uganda.*
- Dalene Campbell, *Executive Director, Executive Director Urban Mobility, Cape Town, South Africa.*
- Gustavo Renaldi, *Director of Environmental Impact, Ministerio de Transporte, Argentina.*
- Paola Tapia, *Managing Director, Public Transport Authority of Santiago (DTPM), Chile.*

Moderator: Eléonore François-Jacobs, *Partnerships and Outreach manager, MobiliseYourCity*

11:00 - 11:20 h

Coffee Break

11:20 - 12:50 h SESSION 2

Public transport sector integration

This session will present and discuss public transport system integration and paratransit sector reforms based on good practices global experience, including from Latin America. This could cover experiences in developing paratransit integration strategies including public transport planning, public transport network design, and operation and tariff integration.

Global lessons from multi-modal public transport system integration (physical, operational, tariff) and sector reforms

Presenter: Leonardo Canon Rubiano, *Senior Transport Specialist, World Bank*

Panel

- María Constanza García, *Vice Minister of Infrastructure, Ministry of Transportation, Colombia*
- Renato Barandier, *Municipal Secretary for Urban Planning and Mobility, Niteroi, Brasil*
- Gershwin Fortune, *Chair of informal transport Committee, Cape Town, South Africa*
- David Mfinanga, *Deputy Vice Chancellor, Administration at the University of Dar es Salaam, Tanzania*

Moderator: Alejandro Ceballos, *Urban Mobility Technical Advisor, Euroclima*

12:50 - 13:45 h

Lunch

13:45 - 15:15 h SESSION 3

Strategies to accelerate electric mobility

This session will present the findings of a recent reports on the economics of e-mobility in the global south including the Sahel region and discuss the challenges and opportunities of e-vehicles uptake including 2/3 Wheelers, e-buses, and energy/charging infrastructure. A panel of representatives from the Africa and Latin America regions will present their perspective and discuss their respective experiences.

Presenter 1: Georges Darido, *Global Lead for Urban Mobility, World Bank.*

Presenter 2: Expert Academic. Miquel Estrada, *Barcelona School of Civil Engineering.*

Panel

- Thierno Aw, *Managing Director, Conseil Exécutif des Transports Urbains de Dakar (CETUD) Dakar, Senegal.*
- Nabil Belabed, *Managing Director, Casablanca Transport Authority, Morocco.*
- Pablo Andrés Menoni, *Director de Transporte, Intendencia de Montevideo, Uruguay.*
- Diego Cruz Padilla, *CFO, Public Transport Authority of Santiago (DTPM), Chile*

Moderator: Gibet Camos Daurella, *Senior Clean Urban Transport Specialist, EIB*

15:15 - 15:30 h

Closure

Sergio Oliete, *Head of Unit - Sustainable Transport and Urban Development*
