Outputs, results & milestones

2018-2021

**Progress made in accordance
with the workplan**

**1. Developed the
network of the
Observatory**

**Ratification and
implementation of
the Charter**

**Maintained a list of
members and up-to-
date contact details**

**Holding annual
meetings (AGM,
NDCs, Global
Meeting of Regional
Observatories)**

**2. Improved
Data Collection**

**Improved vital
registration
data**

**Tools &
methodologies**

**Police-Hospital
admission
Data Initiative
(PDI)**

**3. Safety
Performance
Indicators
(SPIs),
Cooperation**

**Developed meaningf
ul SPIs that, given the
available data, could
be applied in all**

**External
coordination**

**Identify
indicators that
deserve work in
common**

2018-21

**Progress made in
accordance with the
workplan**

**4.Capacity
development through
technical assistance**

**Minimum
data set
(MDS)**

**Webinar
training**

**12 UN voluntary
road safety targets**

5.Communications

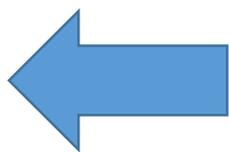

**Articulated
indicators of
achievement for
the decade**

Social Networking

6.Publications

**Prepared
reports**

**Develop a framework of
linkages of road safety
data sources and
research institutions**

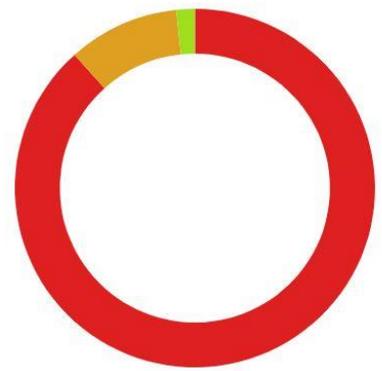

Indicators **315**
