

## 2014-2018 Third Development Plan (DP3) Results Framework: Road Safety Cluster

Objective / Outcome	Indicators
<b>Enable AUC &amp; UNECA to inspire countries to achieve UN Decade of Action and Africa Plan of Action 2011-2020 Road Safety goals</b>	Indicators of UN Decade of Action as they exist
Intermediate Outcome	Indicators
<ul style="list-style-type: none"> <li>▪ Knowledge and understanding of status and prospects of attaining road safety goals in Africa strengthened</li> </ul>	<ul style="list-style-type: none"> <li>▪ Findings of SSATP reports are presented and discussed at two African Transport Ministers meeting</li> </ul>
Outputs	Indicators
<ul style="list-style-type: none"> <li>▪ Assessment of countries' capacity to monitor indicators of Decade of Action</li> <li>▪ Periodic assessment of progress in countries and at continental level on the Decade of Action</li> <li>▪ Framework in place to monitor road safety at continental level</li> </ul>	<ul style="list-style-type: none"> <li>▪ Six assessments</li> <li>▪ Action plans adopted to collect indicators</li> <li>▪ Number of countries which provide progress reports</li> <li>▪ African Road Safety Observatory operational</li> </ul>

Objective / Outcome	Indicators
<b>Promote effective policy and strategy formulation and implementation at country level</b>	<ul style="list-style-type: none"> <li>▪ Recorded stabilization of road crashes in three countries</li> </ul>
Intermediate Outcome	Indicators
<ul style="list-style-type: none"> <li>▪ Country road safety policies and strategies better aligned to the UN Decade and Africa Action Plans and goals</li> </ul>	<ul style="list-style-type: none"> <li>▪ Three countries adopt strategies that are revised to reflect the Africa Plan of Action</li> </ul>
Outputs	Indicators
<ul style="list-style-type: none"> <li>▪ Review of existing policies and strategies to identify changes required to better align with Decade of Action</li> <li>▪ Road safety capacity and institutional assessment, identification of needs for policy and strategy development in selected cities to advance urban road safety strategies</li> <li>▪ Promotion and development of road safety data management systems in partnership with WHO</li> </ul>	<ul style="list-style-type: none"> <li>▪ Two countries/cities agree to need for changes in road safety policies and strategies/ urban road safety strategies</li> <li>▪ Institutional assessment of needs for road data management systems in six countries</li> </ul>

Objective / Outcome	Indicators
<b>Stimulate good practice in Road Safety Management (Pillar one of UN Decade of Action) by promoting systematic implementation of the Africa Plan of Action</b>	<ul style="list-style-type: none"> <li>▪ Increase in the number of Sub-Saharan African countries with fully empowered cross-sectoral lead agencies</li> </ul>
Intermediate Outcome	Indicators
<ul style="list-style-type: none"> <li>▪ Countries create road safety lead agencies where none existed before</li> <li>▪ REC's decision to create regional organizations to lead agencies</li> </ul>	<ul style="list-style-type: none"> <li>▪ Three new countries decide to create lead agencies</li> <li>▪ Creation of one regional organization of lead agencies</li> </ul>

Outputs	Indicators
<ul style="list-style-type: none"> <li>▪ Operational guidelines for road safety lead agencies</li> <li>▪ Capacity development plan prepared for road safety lead agencies</li> <li>▪ Policy note following RECs, countries and other stakeholders' consultations on the creation of a regional organization of lead agencies</li> </ul>	<ul style="list-style-type: none"> <li>▪ Guidelines produced</li> <li>▪ Capacity plan done for one agency</li> <li>▪ Identification of one secretariat for a regional organization of lead agencies</li> </ul>

Objective / Outcome	Indicators
<b>Better integration of road safety policy and pillar-based interventions in locally and externally funded road developments</b>	<ul style="list-style-type: none"> <li>▪ Existence of institutional instruments to administer effectiveness of road safety components in road sector investments</li> </ul>
Intermediate Outcome	Indicators
<ul style="list-style-type: none"> <li>▪ Key development partners supporting transport sector in SSA to issue guidelines on how to improve effectiveness of their support towards road safety on regional corridors</li> <li>▪ Association of Road Maintenance Funds of Africa (ARMFA) to issue guidelines to member countries on how to improve effectiveness of Road Funds' support towards road safety</li> <li>▪ Municipalities to issue guidelines on how to improve effectiveness of their support towards road safety</li> </ul>	<ul style="list-style-type: none"> <li>▪ Guidelines issued by management to operational units detailing the requirements associated with the inclusion of road safety interventions in investments on regional corridors.</li> <li>▪ Three countries adopt the guidelines</li> <li>▪ Three municipalities issue guidelines</li> </ul>
Outputs	Indicators
<ul style="list-style-type: none"> <li>▪ Disseminate SSATP guidelines on mainstreaming road safety in regional trade corridors</li> <li>▪ Field visits and beneficiary consultations</li> </ul>	<ul style="list-style-type: none"> <li>▪ Four projects visited</li> </ul>

## Program of Activities for the Road Safety Cluster

Item	Description
<b>Cluster</b>	<b>Road Safety</b>
<b>Objective</b>	<b><i>1 : Enable AUC &amp; UNECA to inspire countries to achieve UN Decade of Action and Africa Plan of Action 2011-2020 Road Safety goals</i></b>
C.1.1	Assessment of countries' capacity to monitor progress and impact of Decade of Action plus plan of action on monitoring
C.1.2	Support to Road Safety Observatory for Africa for monitoring progress and reporting on Decade of Action for the whole Africa, advocacy on the need for taking actions and support to Conference of African Ministers of Transport
<b>Objective</b>	<b><i>2 : Promote effective policy and strategy formulation and implementation at country level</i></b>
C.2.1	Preparation of road safety strategies and policies in countries/municipalities
C.2.2	Institutional assessment and identification of needs for road safety management systems
C.2.3	Guidelines for road safety management systems
<b>Objective</b>	<b><i>3 : Stimulate good practice in Road Safety Management (Pillar One of the UN Decade of Action) by promoting systematic implementation of the Africa Plan of Action</i></b>
C.3.1	Support to creation of lead agencies
C.3.2	Capacity development program of lead agencies
C.3.3	Support to creation of regional organization of lead agencies
<b>Objective</b>	<b><i>4 : Better integration of road safety policy and pillar-based interventions in locally and externally funded road developments</i></b>
C.4.1	Dissemination of guidelines on how to improve effectiveness of their support towards road safety on regional corridors
C.4.2	Monitoring of effectiveness of road safety components in development partners' programs (field visit and beneficiaries' surveys)
C.4.3	Preparation and dissemination of guidelines to member countries of the Association of Road maintenance Funds in Africa (ARMFA) on how to improve effectiveness of Road Funds' support towards road safety
C.4.4	Support to countries to implement guidelines
C.4.5	Preparation and dissemination of guidelines to municipalities on how to improve effectiveness of their support towards road safety
C.4.6	Support to municipalities to implement guidelines
