

Fostering REC coordination

REC TCC Meeting

July 5, 2018

Abuja, Nigeria

- Programs ongoing or on the drawing board the successful conduct of which need better coordinating between the RECs involved and their commitment.
- And also coordination between the donors
 - Objective of the session:
- Identified and discuss some programs and build a consensus on mechanisms or principles to enhance REC and donor coordination
- Learn from best practices.

- Harmonization/ trade facilitation programs within a region that could be useful replicating in others
- What mechanism to put in place to improve the interaction and facilitate the knowledge transfer ?
- Identify pilot programs
