

Activity Sheet 62

Impact of transport on the livelihoods of the rural poor

Purpose

The purpose of this activity is to examine how transport issues impact on livelihood capitals (assets) of the rural poor, and how transport policies and institutions affect the livelihoods of the poor.

Group Work

1. Discuss the following questions:
 - A. *What is the impact of transport on livelihood capitals (assets)?*
 - B. *How do policies and institutions associated with transport affect livelihoods?*
2. Prepare your findings on flip chart.
3. Elect a person to present the group's findings.
