

**Africa Transport Policy Forum, December 10-11, 2013**  
**SSATP Annual Meeting, December 12, 2013**

MONDAY, DECEMBER 9

7pm - 10pm      **Registration**

TUESDAY, DECEMBER 10

8am – 12pm      **Registration**

8:30am – 9am      **Participants arrival**

9am – 10am      **Opening ceremony:**  
*Transport Minister of Senegal*  
*African Union Commission*  
*Soteri Gatera, Chair of the SSATP Board (role of SSATP in policy development)*  
*Marc Juhel, World Bank (importance of knowledge)*  
*Jean-Noel Guillosoou, SSATP Program Manager (agenda of the forum)*  
*Group picture*

10am – 10:20am      **Coffee break**

**The sustainability factor – Towards clean and safe transport for Africa**

10:20am-11:50am      **Introduction: Integrating Transport into the Sustainable Development Goals**  
**Moderator: Marc Juhel (World Bank)**

- **Transport in the post-2015 Development Agenda:**  
*Jane Akumu, UNEP, on issues brief for the UN Open Working Group on the SDGs*  
*Thomas Hamlin, UNDESA on results on consultations on sustainable transport in the post-2015 development agenda*
- **Environmentally Sustainable Transport Forum for Africa**  
*Roger Gorham, World Bank*
- **Panel discussion**  
*Mayor of Dakar*  
*Paul Starkey, IFRTD*  
*Jeff Turner*  
*Ousmane Thiam*

## *Towards a greener, more inclusive transport sector*

11:50am – 1pm

### *Parallel session 1:*

#### **Building more sustainable transport systems**

**Moderator: Roger Gorham**

- Making Africa's transport infrastructure more **resilient to climate change**  
*Gordon Robertson, Ken Strzepek*
- Recent advances in **fuel efficiency** and how they can be used in the region  
*Jane Akumu, UNEP on behalf of GFEI*
- **Urban centralities and fuel economy**  
*Pedro Ortiz*

### *Parallel session 2:*

#### **Mainstreaming climate change adaptation and mitigation into transport policy**

**Moderator: Julien Allaire (CODATU)**

- **Turning the Right Corner: Ensuring Development through a Low-Carbon Transport Sector** and potential applications to the African context  
*Andreas Kopp, World Bank*
- Options for Africa to **reduce transport-related greenhouse gas emissions**  
*Speaker TBD*
- **The Transport Environment Science Technology (TEST) Network Africa:** helping African countries make the most of scientific and technological transport research  
*Dieter Schwela, EURIST*

### *Parallel session 3: Inclusive transport*

**Moderator: Jephthah Chagunda (ARTA)**

- **Rural Transport Policies in Nigeria and Uganda:** their contribution to rural growth and poverty reduction  
*Jeff Turner, Leeds University*
- **Gender Equality Policy in the road sector in Uganda**  
*Speakers: Nite Tanzarn (Consultant)*
- **Rural access indicators in the Results Framework for the SDGs: practical and policy implications**  
*Paul Starkey, IFRTD*
- **Gender mainstreaming in rural transport in Vietnam**  
*Le Thi Thu Ha (Lao Cai Provincial Women's Union), Phuong Thi Minh Tran (World Bank)*

1pm – 2pm

**Lunch**

## *Creating the proper environment for making roads safe in Africa*

2pm – 3:30pm

### **Mainstreaming Road Safety in Regional Trade Corridors**

Trade corridors present the best opportunities of impact for road safety interventions as they typically experience the highest volumes of traffic, have high strategic priority, attract large investments, and are particularly amenable to targeted treatments.

**Moderator: Jean Kizito Kabanguka, African Development Bank**

- **Ghana's George W. Bush Highway – A Case Study for Change**  
*Speaker: representative from Ghanaian Lead Agency*
- **Presentation of the SSATP guidelines**  
*Martin Small*
- **Prioritising corridor safety investment**  
*Rob McInerney, iRAP (video)*
- **Harmonization of norms and standards on the Trans-African Highways and Road Safety Charter for Africa – African Union Commission**  
*Speaker: Africa Union Commission*
- **Panel Discussion: Applying the Guidelines**  
*Panelists:*  
*Jean Acri, IRU*  
*Barney Curtis, FESARTA*  
*EIB?*

3:30pm– 4pm

**Coffee break**

4pm – 5pm

**Establishing and Strengthening Lead Road Safety Agencies**

**Moderator: Marie-Thérèse Guiebo (UNECA)**

- **Guidance** for Lead Agencies  
*Speaker: Martin Small*
- **Institutional issues** for Lead Agencies in Africa  
*Speaker: representative from the Nigerian Federal Road Safety Corps / WARSO*
- **Panel Discussion: Addressing institutional road safety management issues**  
*Panelists:*  
*Panel chaired by Marie-Thérèse Guiebo (UNECA)*  
*Morocco Ministry of Transport*  
*Martin Small*  
*Nigerian Federal Road Safety Corps / WARSO (West African Road Safety Organisation)*  
*European delegation*  
*Representative from Ethiopia/Senegal (Papa Diouf)/Gambia/Ghana (speaker above)*

- 5pm – 6pm **Road Safety, Technical Session**  
**Moderator: Senegalese journalist**
- **Safe Roads for All**  
*Saul Billingsley, FIA Foundation (video)*
  - **Road trauma** estimates in Africa, and future data management requirements  
*Martial Missimikim, WHO*
  - **African Road Safety Corridors Initiative**  
*Anne-Valérie Troy, Total*
- 6:30 pm – 8pm **Cocktail offered by Ministry of Transport Senegal**

WEDNESDAY, DECEMBER 11

**Spearheading transport policy reform in Africa**

- 9am – 10:30am **Policy development**  
**Moderator: Permanent Secretary, Ministry of Equipment and Transport, Senegal**
- **Transport Policy Performance Review – SSATP**  
This publication focuses on the evaluation of policy performance and progress with respect to SSATP’s Second Development Plan (DP2) themes, following the establishment of multiple road agencies and road funds, as well as multi-country corridor agencies.  
*Speaker: Marc-Andre Roy, SSATP Consultant*
  - **Panel discussion**  
*Panelists:*  
*Sierra Leone*  
*Serge Bela, Burkina Faso*  
*Chris Appiah, ECOWAS*  
*Sylvestre Kotchofa, ARMFA*
- 10:30am – 11am **Coffee break**
- 10:30am-11:30am **Press conference TBC**

11am – 12pm

*Technical session track 1:*  
**Moderator: Stefan Atchia, AfDB**

- **Development of Transport Sector Data Management Systems**  
Transport sector data management is at the heart of good sector policy development and measuring policy performance. SSATP carried out detailed institutional assessments of data management systems, policies, procedures and practices in 4 different countries.  
*Speaker: Serge Bela, Burkina Faso*
  
- **Communicating the value of transportation studies and research to the public, politicians and policy-makers**  
Findings of transport studies impact policy analysis and advice. However, transport research findings are often not disseminated effectively. Efforts to accelerate the delivery and implementation of innovation and research findings are essential.  
*Speaker: Maryland State Highway Administration*

*Technical session track 2:*  
Regional Integration  
**Moderator: Tapio Naula, AfDB**

- **Optimizing the movement of people and goods across Africa**  
The planning and operation of multimodal networks considering, people and good, is one of the key points for a sustainable infrastructure investment, especially in Africa. Knowledge, methodologies and technology is available to professionals for this complex enterprise.  
*Speaker: Miller Crockart, PTV Group*
  
- **Quantitative analysis of bilateral road transport agreements (QuARTA)**  
The review identifies the defining characteristics of regional road transport agreements and the implications they may have on market integration. It is intended to guide countries in their efforts to reform their road transport sectors.  
*Speakers: Virginia Tanase (World Bank)*
  
- **Transport Corridor Observatories**  
Presentation of the guidelines to set up transport corridor observatories recently produced by the SSATP  
*Speaker: Oliver Hartman (SSATP/Trade Facilitation Facility)*

*Technical session track 3:*

- Making Africa's transport infrastructure more **resilient to climate change:** follow up consultation  
*Gordon Robertson, Ken Strzepak*

12pm – 1pm

- **Policy incentives for freight transport fleet renewal: the Moroccan experience**  
*Speaker: Morocco*

**Evaluating governance in the transport sector**  
**Moderator from Mozambique/Liberia/Rwanda**

- **Transport Governance Indicators for Sub-Saharan Africa**  
SSATP has recently launched a new study to identify a set of easily collectible performance indicators to measure transport governance at the national level in an efficient and systematic manner. The purpose of the study is not only to track progress in the area of transport governance in Africa but also to foster policy change and encourage countries to integrate those indicators in their respective governance evaluation frameworks.  
*Speaker: Justin Runji, SSATP*
- **Assessing Governance in the Transport sector – European Commission study**  
The objective of the assessment is to provide guidance and support to stakeholders of the transport sector in beneficiary countries to address governance issues when designing and implementing a transport project. It builds on 12 concept papers and 5 working papers providing a comprehensive overview of governance in the transport sector in Africa.  
*Marc Stalmans, European Commission*

1pm – 2pm

**Lunch**

*Improving performance through private sector participation*

2pm – 3:30pm

**Private sector participation in the road sector**  
**Moderator: Marième Decrane, Senegal Ministry of Transport**

- **Road Transport Industry Surveys in East Africa**  
High road transport prices have been singled out as major obstacles to trade in Africa. To address this challenge, SSATP recently completed surveys in Kenya, Tanzania and Rwanda, focusing on priority challenges such as the cost of the inputs in the trucking industry: fuel prices, spare parts and maintenance costs, as well as financing of vehicles.  
*Speaker: Olivier Hartmann (SSATP/TFF) or Aloys Rusagara, TTCA*
- **Private sector engagement for trade facilitation: fostering collaboration between commercial freight operators and public authorities**  
SSATP's Working Paper No. 96, Border Crossing Monitoring along the Northern Corridor aims to measure improvements at three border posts (Malaba, Busia and Gatuna/Katuna) following key policy decisions taken by the Governments of Kenya and Uganda to facilitate cross-border movements.  
*Speaker: Olivier Hartmann (SSATP/TFF) or Aloys Rusagara, TTCA*

- **Public-Private Partnerships (PPPs) in the road sector - SSATP**  
The review consolidates good practices on private sector involvement through PPPs in road financing, provision and management, and provides an in-depth understanding of key related issues and principles, including lenders' perspectives and requirements in support of project finance for road PPPs.  
*Speaker: Peter Brocklebank, SSATP Consultant*

3:30pm – 4pm

#### Coffee break

4pm – 5pm

#### Private sector participation in the railway sector

**Moderator: APIX, Senegal**

- **Leveraging the potential of private sector involvement for the development of African railways**  
*Speaker: Pierre Pozzo di Borgo, International Finance Cooperation*
- **Improving Performance of Railways in Africa**  
Presentation of the SSATP Working Paper 94 which assesses the state of the railway sector in Africa and provides a framework for improving railway sector performance.  
*Speaker: Henry des Longchamps (World Bank)*

5pm – 6pm

#### Closing session

- **Panel on outcomes of the Forum:** session would cover the 2 days of the Forum + SSATP dissemination event on urban mobility and accessibility  
*Panelists: African Union Commission or African Development Bank (chairperson)  
One rapporteur per day  
REC Jean Paul Libebele/Development partner/Private Sector Barney Curtis,  
FESARTA /Senegal likely permanent secretary /English speaking country*
- **Closing remarks**  
*Speakers: Senegalese Minister of Transport, SSATP Program Manager*

WEDNESDAY, DECEMBER 11

### *Mobility and Accessibility in Urban Areas of Africa*

Presentation and discussion on emerging trends, emerging issues and strategies  
Action plan for cities  
Priorities for SSATP Third Development Plan  
*Participants: Representatives of the 20 cities involved in the SSATP study and participants at the transport policy forum*

THURSDAY, DECEMBER 12

*SSATP Annual Meeting*

8am – 9am	<b>Registration</b>
8:30am – 10am	<b>Opening ceremony:</b> <i>Transport Minister of Senegal Gatera Soteri, Chair of the SSATP Board represented by UNECA Paolo Ciccarelli, European Commission as Representative from SSATP donors Supee Teravaninthorn, World Bank as host of the SSATP</i>
10am – 10:30am	<b>Coffee break</b>
10:30am – 11:30am	<b>Progress on Second Development Plan</b> <i>SSATP Program Manager</i>
11:30 am – 12:30 pm	<b>Messages from the Africa Transport Policy Forum</b> <i>Representative from the Senegal Ministry of Transport</i>
12:30pm – 2pm	<b>Lunch</b>
2pm – 3:30pm	<b>Presentation of Third Development Plan Strategy to address the financing gap</b>
3:30pm – 4pm	<b>Coffee break</b>
4pm – 5pm	<b>Closing remarks</b> <i>African Union Commission Mattia Celio, Swiss State Secretariat for Economic Affairs Jean Kizito Kabanguka, African Development Bank Jean-Paul Libebele, representative from the RECs Agence Française de Développement Supee Teravaninthorn, World Bank Barney Curtis, FESARTA Transport Minister of Senegal</i>

THURSDAY, DECEMBER 12

*Sustainable Urban Transport*

**Training organized by GIZ**

Sustainable Urban Transport

Non-Motorized Transport

Enhancing the role of Public Transport

*Participants: Representatives from 20 cities involved in SSATP urban mobility and accessibility study and representatives from Senegal*

FRIDAY, DECEMBER 13

*Site Visit*

9am – 12:30pm

**Visit of the Dakar-Diam Nadio toll road**

Concession agreement

Management of resettlement

*Participants: Interested participants in the SSATP annual meeting*

12:30 pm-1:30 pm

**Lunch**
